

**ENABLING BUSINESS, INNOVATION, AND
INVESTMENT ACROSS SUB-SAHARAN AFRICA**

Introducing Open Capital

Open Capital Advisors is a management consulting and financial advisory firm that helps business, investors, development organisations, and the public sector succeed in Africa’s most dynamic markets. Since our founding in 2010, we have completed well over a hundred engagements across 12 countries.

Business Analyst Role

We are looking for hard-working high-performers from any degree discipline to join our 2016 Business Analyst class. Successful candidates bring a strong academic record, an ability to think critically, and a desire to learn.

During your two years as a Business Analyst, you will work directly with clients on their toughest problems, including:

- Developing new business strategies
- Raising capital from investors
- Understanding new markets and economic trends

The skills you build as a Business Analyst will prepare you for a world-class career, at Open Capital or beyond. Our Business Analysts have gone on to more senior roles at Open Capital, graduate degrees at top global universities, and employment with leading businesses, SMEs, investors, and development organisations.

Why Open Capital?

High-impact work

- Support the most innovative, fast-growing companies in Sub Saharan Africa
- Work with governments and leading global development organisations to shape policy and drive growth
- Tackle complex business and social challenges in ICT, energy agriculture, education, and more

Growth Opportunities

- Extensive training from Day 1 on strategic thinking, financial modelling, client management, and more
- Quick advancement opportunities for strong performers
- Ongoing mentorship and feedback from senior staff
- Opportunity to travel across East and Southern Africa

Dynamic Team

- Diverse, international team of 35 based in Nairobi and Kampala
- Team brings experience from top global consulting firms, private equity firms, and investment banks, among others
- Flexible, collaborative culture that emphasises teamwork and professional development
