SUBJECT: POSTPONEMENT OF DIGITAL SCHOOL TUTORIALS

The Digital School tutorials are premised on and contingent upon online engagement by the lecturers. Since there has been no online engagement between the lecturers and students since 9th January 2017 when the trimester began, it is not prudent to hold the tutorials scheduled for 18th and 19th February 2017. Therefore, the tutorials are postponed to a later date.

Please inform all the lecturers concerned. The Directors of Campuses and Coordinators should inform the students.

Thank you.
