

KENYATTA UNIVERSITY

TRANSFORMING LIVES BY SUPPORTING OVS

Higher education is considered a major player towards the achievement of the UN Millennium Development Goals, which include and are not limited to eradication of extreme poverty and hunger, promotion of gender equality and empowerment of women, environmental sustainability and the establishment of a global partnership for development. Yet many Kenyans still find it impossible to access higher education.

CURRENT SITUATION

- In Kenya more than 75% of students who qualify for admission to universities are locked out of the higher education system and left to pay for their own fees.
- Many deserving Kenyans still cannot access higher education due to reasons such as natural calamities (death of guardians), extreme poverty, lack of social support, socio-cultural issues among others.
- From our records, more than 10,000 students at Kenyatta University are orphans and vulnerable and hence at risk of dropping out of the education system.

OVS SCHOLARSHIP FUND

Kenyatta University has set up the Orphans and Vulnerable Students (OVS) Scholarship Fund so as to increase access to university education for orphans and vulnerable students. This is in line with our philosophy statement; being “sensitive and responsive to societal needs and the right of every person to knowledge”.

The specific objectives are:

- To enhance access of OVS to higher education
- To invest in the OVS who have demonstrated high potential
- To support OVS to accomplish their life ambitions by attaining higher education

FINANCIAL AID OFFICE

The Financial Aid Office is mandated to oversee the award of the OVS Scholarship Fund and continuously seek for further sources of funding. In this regard, we are approaching you as an alumnus, friend and collaborator to walk with us and be part of this worthy cause.

We thank you for your support and contributions that will make a remarkable difference in someone's life.
