RE: APPROVAL TO CHARGE HALF SEMESTER ACCOMMODATION RATES FOR STUDENTS IN BLENDED MODE OF LEARNING

The University Management has adopted the blended mode of teaching and learning with effect from first semester 2020/2021 academic year. Therefore, students will be allocated accommodation on campus for half of the semester.

In view of the foregoing, the University Management has granted approval as follows:

- 1) Students reporting for half of the semester for the face-to-face learning will pay a half-semester rate on accommodation.
- 2) That the excess accommodation fees already paid by some of the newly admitted first year students will be transferred to the subsequent semester.

Thank you.
