RE: CONNING OF FIRST YEAR STUDENTS SET TO JOIN IN SEPTEMBER 2018

The subject above refers;

It has come to our attention that a person going by the name of "Dr. Arson Mose" mobile number 0724087657 is out to con our first year KUCCPS students who are set to join the University in September 2018. We would like for the following message to be sent out to the students;

Accommodation is **guaranteed** to all KUCCPS 1st year students joining Kenyatta University in September 2018. Do not pay anyone to secure a room. The accommodation fees as indicated on the admission letters should be paid **only through the Kenyatta University bank accounts and not via M-Pesa or any personal numbers.**

Thank you.
