INTERNAL MEMO

FROM: REGISTRAR (ACADEMIC)

DATE: 13TH OCTOBER, 2023

**TO: ALL FIRST YEAR 2023/2024 KUCCPS
PLACED STUDENTS**

REF: KU/RAC/GEN/VOL. 2/45/197

**SUBJECT: CLARIFICATION ON FEE PAYMENT DEADLINE FOR THE FIRST
YEAR 2023/2024 KUCCPS PLACED STUDENTS**

This is a follow up to the communication to all our students on 9th October, 2023 on the extended deadlines for fee payment and units registration for the First Semester 2023/2024 Academic Year. It has been observed that due to the pending categorization by the University Funding Board and the Higher Education Loans Board, the First Year 2023/2024 KUCCPS Placed Students may not meet the extended deadline for fees payment.

In view of the above, this is to clarify **to all the First Year 2023/2024 KUCCPS Placed Students** that their deadline for fee payment shall be determined once the University Funding Board finalizes the categorization process. In the meantime arrangements are being made for online registration of units for all concerned students.

Thank you.
