

KENYATTA UNIVERSITY

OFFICE OF THE DEPUTY VICE CHANCELLOR (ADMINISTRATION)

From: Deputy Vice-Chancellor (Administration)

Date: 16th March, 2018

To: All UASU Members

RESUMPTION OF DUTY

This is to bring to the notice of the Universities Academic Staff Union members that the Nairobi Employment and Labor Relations Court in Cause No. 257 of 2018 between IPUCCF and Universities' Academic Staff Union (UASU) has declared the strike by Universities Academic Staff (UASU) as unprotected. The Court ordered UASU to call off the strike and have its workers resume duty. If the workers resume duty as directed by the Court, they will not be victimized for participating in an unprotected strike.

This is to inform all members of UASU that the strike is officially over and all members are required to resume duty immediately.

Thank you.
