First, we are happy to inform you that online classes are continuing well and we thank you all for your cooperation.

Secondly, the University is aware that a few of you are experiencing some difficulties accessing the Learning Management System (Kusoma Platform) as well as the Students Management System (Student's Portal), which is curtailing your learning process.

We are doing everything possible to ensure that all students who have paid fees are able to access their content to facilitate learning.

You are reminded that:
