OFFICE OF THE VICE-CHANCELLOR

INTERNAL MEMO

FROM: The Vice-Chancellor

DATE: 15th November 2017

TO: **ALL STUDENTS**

REF: KU/VC/CRLS/C29/VOL.2

SUBJECT: RESCHEDULING OF ACADEMIC ACTIVITIES FOR SEMESTER I - 2017/2018

In view of the ongoing nationwide Industrial Action by Lecturers that has, to some extent, affected academic programmes, the University Management has made a decision to reschedule academic activities for this Semester. In this regard, the examinations that were scheduled to take place with effect from 20th November 2017 have been temporarily put on hold until further notice as consultations with the Ministry of Education and other relevant stakeholders continue.

The University Management calls upon all the students to remain calm as the issue is being addressed. A new schedule of the semester activities will be communicated as soon as possible.

May I also take this opportunity to thank all the students for conducting themselves in an exemplary manner during the just-concluded 2017/2018 KUSA Elections. Once again, you have demonstrated your maturity in exercising your democratic right in choosing your leaders. We now have a new student Governing Council in place.

Thank you.
