**SUBJECT: ADHERENCE TO SAFETY MEASURES AGAINST THE CORONA
VIRUS DISEASE (COVID-19)**

As you are aware, our country is currently faced by the Corona Virus Pandemic, and the focus has been centred on preventing infection and spread of the disease. In this respect, the Ministry of Health has continually provided information on preventive and safety measures that include observing high standards of hygiene (washing hands with soap and use of sanitizers), maintaining social distancing and wearing masks when in public places.

This is therefore to urge you to strictly adhere to the advisory by the Government in order to keep yourselves safe from the virus. The University Management expects you to take lead in combating the COVID -19 by observing all the measures announced by the Government.

Thank you and may our almighty God protect each one of you during this challenging moment.
